This Agreement is entered into effective June 1, 2017, by and between the MID-AMERICA REGIONAL BARGAINING ASSOCIATION (MARBA), for and on behalf of the present and future members of its member associations, together with such other Employers who become signatory to this Agreement (referred to herein as “Employer or Employers”) and the TECHNICAL ENGINEERING DIVISION LOCAL UNION 130, U.A., AFL-CIO, under its jurisdiction in Cook, Lake and DuPage Counties, Illinois (hereinafter referred to as the “Union”).

This Agreement shall be in full force and effect for three (3) years, from June 1, 2017 through May 31, 2020.

The Standard Agreement of the Construction Employers’ Association of Chicago, Inc., and the Chicago and Cook County Building and Construction Trades Council, is hereby made a part of this Agreement. Should an impasse occur between the Union and the Association in future negotiations of this contract, the impasse will be resolved by the Joint Conference Board as called for in Article VIII of the Standard Agreement between the Construction Employers’ Association and the Chicago and Cook County Building and Construction Trades Council, readopted April 12, 1983,

ARTICLE I

SECTION 1. The Employer has the exclusive right to hire employees without regard to their membership or lack of membership in the Union. If the Employer so desires, he may request the Union to inform workers that the Employer has jobs available, but the employment or rejection of such worker shall be the Employers’ prerogative. The Union, when so requested, may inform workers that the Employer has jobs available, and if it does inform such workers, it shall be done without regard to their membership or their lack of Union membership. However, employees must get a Referral Slip from the Union Office when changing jobs to present to the new Employer before starting to work. The purpose of this is to protect the member’s wages and rights under the Pension and Welfare Plans. In issuance of referral slips there will be no discrimination on the basis of race, creed, color, national origin, sex or age.

Should any question arise concerning the compliance of any provision of this Agreement with any federal, state, or local government laws or regulations relating to equal employment opportunity, the parties shall meet upon reasonable notice to consider the necessity of amendment of this Agreement by mutual assent.

SECTION 2. It shall be a condition of employment that all employees of the Employer covered by this agreement who are members of the Union in good standing on the date on which

this Agreement is signed shall remain members in good standing and those who are not members on the date on which this Agreement is signed, shall, on the seventh day following the date on which this Agreement is signed, become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after the date on which this Agreement is effective, shall, on the seventh day following the beginning of such employment become and remain members in good standing in the Union.

It is further understood and agreed that no Employer shall discriminate against any employee; refuse him employment or refuse to continue him in employment of non-membership in the Union, if the Employer has reasonable grounds for believing that such membership was not available to the employee on the same terms and conditions generally available to other members, or if the Employer has reasonable grounds for believing that membership in the Union was denied or terminated for reasons other than the failure of the employee to tender the normal dues and the initiation fees uniformly required, as a condition of acquiring or retaining membership.

SECTION 3.

(a) MANAGEMENT PERSONNEL AND TRAINEES The Union recognizes that surveying instruments and tools may be used by executive, administrative, and supervisory personnel, as defined in title 29, Section 213 U.S.C.A. and the Regulations promulgated with relation thereto, and management trainees as hereinafter defined.

(b) A management trainee is defined as a permanent employee who, because of education, background, leadership ability or special talents, is accepted into a company management development program, one phase of which is line and grade work. Management trainees employed in a company management development program will be registered with the Builders' Association. Upon notification from the Builders' Association of said registry, the Union will forward to the Employer, at no charge to the trainee or Employer, a temporary working card which shall remain in effect one year from the date of issuance; such temporary working card shall be renewable for a period of one (1) additional year. The trainee must carry the temporary working card with him, and upon request, this card must be shown. The Union agrees that it will not interfere with the customs and practices in these categories of the building and construction industry. However, the Union has the right to reopen this Agreement at the appropriate time, in respect to this section of the Agreement. Also the Union has the right to the Arbitration Procedure when it feels this section of the Agreement is being abused.

SECTION 4. The Union agrees that it will not interfere with the existing practices and customs of other Unions affiliated with the AFL-CIO.

VI. REHABILITATION AND EMPLOYEE ASSISTANCE PROGRAM

Employees are encouraged to seek help for a drug and/or alcohol problem before it deteriorates into a disciplinary matter. If an employee voluntarily notifies supervision that he or she may have a substance abuse problem, the company will assist in locating a suitable employee assistance program for treatment, and will counsel the employee regarding medical benefits available under the company or union health and welfare/insurance program.

If treatment necessitates time away from work, the company shall provide for the employee a one-time unpaid leave of absence for purposes of participating in an agreed upon treatment program. An employee who successfully completes a rehabilitation program shall be reinstated to his/her former employment status, if work for which he/she is qualified exists. For the purposes of this policy, the term former employment status will mean a position which is comparable to the employee's previous position before the unpaid leave of absence for participation in the treatment program.

Employees returning to work after successfully completing the rehabilitation program will be subject to drug and alcohol tests without reasonable cause for a period of one year. A positive test will then result in the termination of employment.

This Addendum is specifically incorporated in and made part of the Agreement as though set forth in full therein.
